The Temple Emanu El's Infant Care is a Jewish-oriented program offering a nurturing, fun-filled environment, allowing for maximum social, emotional and intellectual growth. Personalized contact with clergy fosters a sense of Jewish identity and encourages learning of basic Jewish traditions.

Our lead teachers are degreed, trained and experienced in Early Childhood Education. Our entire teaching faculty is devoted to the personal development of your child to promote a positive self-concept and mastery of age-appropriate skills.

Our unique flexibility offers families various options including half days, three-quarter days, full days or any combination thereof. With the exception of some Jewish and secular holidays, the program is in operation 50 weeks a year, 5 days per week, from 7:30 am to 6:00 pm. Students are served a Kosher-style lunch in addition to morning and afternoon snacks.
